

August 20, 2013

Attention All Coaches:

Effective immediately, we are reiterating this rule (once again), there is to be absolutely NO using of the stands, foyers, hallways, and/of any of the common areas of any City of Brampton arena for the purpose of warming up your teams (pre or post games and/or practices). This is a City of Brampton policy and at certain locations the City does have facilities to rent at your team's expense. We are left with no choice to strictly enforce the City of Brampton's regulation on this matter.

Any team caught or reported, with proof, notadhering to this regulation will be subject to the following discipline and actions:

First offense: 1 (one) game suspension – to be served by the head coach*

Secondoffense: 3(three) game suspension – to be served by the head coach*

Third& final offense: 10 (ten)game suspension – to be served by the head coach* (with possible termination)

* First, second and third occurrences will require a meeting with the Risk Management VP and the appropriate league VP.

This is non-negotiable and will not be tolerated by any coach at any level. If you have any questions you may contact your respective Vice Presidents: **Garry Kalcsics** vpintracity@bramptonhockey.com; **Justin Baker** vprep@bramptonhockey.com or **Pauline St-Jules** vprecreational@bramptonhockey.com.

Your co-operation and understanding with this matter is greatly appreciated.

Respectfully yours,

Garry Kalcsics
